INCLEMENT WEATHER

—Our Inclement Weather Procedure is as follows. We hope it serves as an efficient means of communication for you. Please keep this information in a place where you can refer to it in the event of an

emergency situation. School closure (and late starts) will be announced by radio in the morning between 5:30am and 7:30am. Generally speaking, if Seattle Public Schools close, St. Paul School and the ESS program will be closed also. On occasion, although our school is not closed, the hot lunch program may not be provided. If possible, this will be announced also. When it is necessary to close because of inclement weather, or any other emergency, parents will receive notice by radio and TV. Listen to early morning broadcasts from KOMO, KIRO and KING. We will also post the notice on the school website. If no announcement is heard over these stations, assume school is open at the normal time. Late openings at St. Paul School will always be at 9:30am. Please refer to your Parent Handbook for the Emergency Closure section. You can also log in to www.king5.com for school information.
