Monday April 5-9, 2010. School will be dismissed at 12:00noon on Friday, April 2nd.

STUDENT ILLNESS—

With cold and flu season upon us, please use good judgment before sending your child to school. Students should not be sent to school with a fever or any type of vomiting. They should be free of fever for 24 hours before returning to school. This helps students and staff/faculty alike from causing illnesses to spread. As we look out for the well being of all, we thank you for your cooperation with this.

STUDENT ABSENCES—

Please remember to contact the school office by 8:00am to report your student's absence. Students arriving to school past the tardy bell at 7:55am need to check in the school office before going to their classroom. Students with an early dismissal **MUST** be picked up in the office by a parent. The school office number is 206-725-0780.
