for a great game played on May 22nd. Ryan plays baseball for the Rainier Little League Team. He played three positions in six innings and made two phenomenal catches. Keep up the good work Ryan!

SUMMER SKILLS—Please find a flyer and order form enclosed in your packet for Summer Skills. This is a workbook for your child to work on over the summer. You can order a math, language arts, or Spanish skill book. This is a great way to keep your child sharp and prepared for the next year of school. You will want to order the book for the grade your child just completed. Please take some time to read over the flyer and order a skill builder that will be best for your child. The Student Council of 2009-2010 are sponsoring this effort to help their St. Paul classmates. "If you believe you will achieve!"

FIELD DAY— Yippee! Field day is coming! Thursday June 10th is field day! We will be having activities beginning at 9:30 a.m. to 11:30 a.m.. More information regarding what your child should wear will be coming home from your child's teacher. After the events, we will be having a BBQ for the whole school. We will be serving hot dogs, hamburgers, juice, and chips. We will also be giving ice cream out after lunch.

We are looking for volunteers to help with the BBQ and serving the students. Please contact Rita Turner, Development Director if you are interested in helping.
